

DOK

MENU

I ended up at DOK through a conversation at a party with people who work here, and it felt right straight away. Since January I've been doing an internship at DOK and it's the perfect place to learn even more, with great colleagues and good guidance.

My favourite thing on the menu is the DOK Oriental. It not only looks great, but smells and tastes amazing too. Especially the dressing, which really brings it all together.

No two days at DOK are the same, but the atmosphere with colleagues is always great. I mainly work behind the bar, where I enjoy making the best drinks. Our drinks pair perfectly with the delicious cakes on the menu.

My recommendation from the menu is the HotDok. I love the combination of flavours and the crispy onions make it extra special.

Welcome to DOK

At DOK, it's about more than great food. We are a social enterprise where everyone is welcome. People with a distance to the labour market get the chance to grow, develop skills and gain valuable work experience. Together we are building an inclusive future.

Celebrate at DOK?

From birthdays and weddings to corporate events: at DOK we make it something special, with drinks, dinners and more.

DOK's activities

Enjoy live music, international dinners, our high tea, cooking workshops, and fun activities for kids!
